HB 6645

I am a resident of East Granby, Ct and a letter carrier for the US Post Office. I would like to express my opposition to HB 6645, An Act Concerning Compassionate Aid in Dying for Terminal Patients. I oppose this act. I do not believe this is in the best interest of our state. I believe that there are better uses for the time, energy and especially the funds that this act would require. I believe this act is dangerous to those who are sick and elderly, and that the potential for error or abuse in these case is too great and grave a risk for the state to take.

Thank you.
